Dear Ms. Saffy:

Congratulations on your selection as a member of the Standing Committee on Credentials for the 1992 Democratic National Convention! We look forward to working with you.

The Credentials Committee will meet at the Stouffer Mayflower Hotel in Washington, DC, on Friday, June 27. Conveniently located in the heart of downtown Washington, this historic property has been the site of numerous Democratic functions. Information about making hotel reservations and flight arrangements is enclosed.

Credentials Committee members can register for the committee meeting on Thursday evening, as well as on Friday morning. We expect the meeting to begin at 1:00 p.m. and, depending on the issues to be considered, it should conclude by 5:00 p.m. A proposed agenda for the meeting is enclosed.

As one of three standing committees of the Convention, the Credentials Committee is responsible for determining issues related to the seating of delegates and alternates for the Convention. In selecting nearly 5,000 National Convention delegates and alternates, there are bound to be some complaints about the process. While we hope the number of actual challenges is relatively small, it is up to the Credentials Committee to resolve these disputes and determine who should be seated at the Convention.

The 1992 Democratic National Convention will be held at the Madison Square Garden in New York City on July 13-16. Our Credentials Committee Report will be presented to the Convention on Monday, July 13.

During the Convention, the *Call for the 1992 Democratic National Convention* provides that guest seating will be afforded for **permanent** standing committee members, **who are not already delegates and alternates**, while the Committee's Report is being considered. Based on space availability, the Convention organizers will determine whether such guest seating can be extended for other periods during the Convention.

We look forward to seeing you on June 26. In the meantime, should you have any questions about the Credentials Committee, please feel free to contact the Committee office at 202/479-5143.

Sincerely,

Barbara Roberts
